Welcome to our last term for the year – a busy term but a term that goes far too quickly! A special welcome to Mick Cameron and Brett Gaukroger who are from Wollongong University and will be working in KB and 6C.

Last week I had the pleasure of catching up with some of the Year 6 students and some of their programs. Not only did I see some "Personal Best" results in terms of writing and reporting from 6R, but I also watched these students practise their hip-hop movements and was very impressed with their enthusiasm and skill. The finished production will be well worth watching!

I was also delighted with the iMovies that 6C are making. Check out this link to see what one group from 6C have produced.

At the end of last term we harvested the first of the vegetables from our gardens and it was delightful to see our Kindergarten students tasting our broccoli. The students have been eagerly watering and weeding the gardens and watching the vegetables grow so it’s great to see them enjoying some of the final produce (lightly steamed and served with grated cheese). It was also interesting to note that a number of the same children who were happily munching away had either never tasted broccoli before or else had refused to eat it at home. We are now just waiting for the lettuce to get "just a bit bigger".

There has recently been much publicity and discussion (newspapers, educational conferences etc) about the role schools play in developing digital literacy with their students. Research clearly states that children need to be both literate and digitally literate to achieve success at school and later in the work environment. This week’s Successful Schooling article (see below) deals with this topic and is worth reading. If time permits and you have access to an iPad, please check out some of our ebooks that the students have made http://web1.broulee-p.schools.nsw.edu.au/groups/bpsebooks/
Good luck to our three students Deniz Ustundag, Jaylah Hancock–Cameron and Jaidon Bollard who will be representing our region at the State Athletics Carnival this week. This is a wonderful achievement and a chance for these students to compete at a top level.

**Coming events:**
Thursday 18 October – P&C Meeting
Friday 26 October – Music making workshop in the staff room at 3:00 pm. All parents warmly welcome, movie available to keep the children entertained.

**Chicken Pox:**
There are a number of students away at the moment with Chicken Pox, please watch out for "spots".

This week’s assembly will be led by students from 3B. All families are welcome to attend.

**Thought for the Week**
*What if today, we were just grateful for everything?*
South Coast Representatives
Jaylah Hancock-Cameron, Jaidon Bollard and Deniz Ustundag are off to Sydney on Wednesday to represent the South Coast at the State Athletics Carnival.
We wish them well!

Congratulations

Nippers
Summer is coming…..and that means Nippers!
The days are getting warmer – time to think about weekends at the beach.
Most Sunday mornings or Saturday afternoons during summer Broulee Surfers SLSC runs Nippers at South Broulee Beach in front of the Surf Club. Children from ages 8–14 participate in a variety of fun and challenging beach and water activities for two hours.
Nippers is all about learning skills, building confidence and having fun in a supervised and safe beach environment. For Nippers, the beach is the classroom. They learn and thrive by participating and testing themselves in swimming, body boarding, beach sprinting, dolphin–diving, spotting a rip, having fun with new friends and discovering things about themselves.
Nippers activities are fun and a great opportunity to learn some valuable life skills. The nippers of today are the future of surf lifesaving tomorrow!
Broulee Surfers SLSC is holding its Nippers registration and Pool Assessment at Moruya Pool on 20 October 2012. Please go to the Broulee Surfers website (http://brouleesurfersslsc.org.au/) to pre–register.
For more information contact Scott Elliot on 0413–009–993 or David Hosking on 0421–615–905.
