Principal’s News

Remembrance Day
Last Wednesday I accompanied the School Captains (Bree, Seth, Stuart and Damia) to the Remembrance Day service at the Tomakin Club, where they represented the school at a short, but meaningful service.

The captains were complimented on their manners, high standard of dress and leadership skills.

Mrs Frost and 2F led the Remembrance Day service at school. It was delightful to see so many students participating in the service and to hear the excellent feedback from other staff and the parents who were able to attend the service.

Thank you to Mrs Frost and 2F for a very moving service.

Mindfulness

Many thanks to the parents who filled out our e–survey on "Mindfulness".

The survey closes today and the results will be collated and presented to the P&C.

A large number of staff completed their training in Mindfulness last Saturday when they spent the day learning strategies and techniques to improve their individual practice. I greatly appreciate the personal time and energy freely given up by staff to ensure the professional understanding and delivery of this program.

A special thanks also to Jean Watson from "Mindfulness in Schools Project"

Mindfulness (cont)
who delivered the course. Jean, who works closely with the research group at Oxford University, commented that Broulee PS was the first school in Australia where all staff had completed the relevant training.

2016
We have started the long planning process for class organisation for 2016. At this stage it appears we will have to establish another class due to the increased enrolment demand. This will impact on our limited classroom space and the need for demountable accommodation. Given the competitive demand for enrolment in 2016, if you know of anyone who is either leaving the school or thinking of requesting a place in the school for the coming year, could you please ask them to contact the school as a matter of urgency. If you would like to discuss your child's place next year, you also need to make an appointment with either the class teacher or myself.

This Thursday’s assembly at 1.45 pm will be led by 6R. All families are welcome to attend.

Sue Lowe
Principal

Thought for the Week
A childhood with no books - that would be no childhood. That would be like shut out from the enchanted place where you can go and find the rarest kind of joy.
- Astrid Lindgren

Swedish writer Astrid Lindgren (born November 14, 1907) created her most famous character, Pippi Longstocking, to amuse her young daughter. Today Lindgren is the third most translated children’s book author after Hans Christian Anderson and the Grimm brothers.
2016 South East Harvest
Next year some Broulee PS staff will be hosting a stall at the 2016 South East Harvest Festival in Moruya. We are collecting cans (with no sharp edges) to convert into planters. If you have any to donate please drop them into the front office. Large, lidded coffee tins would be perfect!
We are also collecting old lace curtains to convert into reusable fruit and veggie bags. If you have any to donate they would be gratefully accepted.

OUTDOOR STAGE FOR BROULEE COMMUNITY

Quotes and donations of materials and volunteers wanted.

Earlier in the year, our school held a Golf Day to raise funds that will be used to build an outdoor stage and amphitheatre for our school and the community to use. It was a very successful day and we have thousands of dollars to spend on the stage. A small team of people have been working on the community stage concept. We are planning a large, multi-level stage that will be used by students and community groups for years to come.

We are now ready to source the materials needed to build the stage. Below is a list of materials that will be needed. If you are able to donate any of these materials or you would like to help source quotes from local businesses, we would very much appreciate your help and generosity.

We are planning to build the stage during the January school holidays. As always, the more hands-on-deck with these projects, the better. If you think you might be able to help, please contact Natalie and let her know. Once we line up dates for the construction to happen, we'll contact you.

Natalie 0429 628892 nataliefairweather@hotmail.com or leave a message at the school's front office.

Community News

Eurobodalla Shire Council
The Eurobodalla Shire Council Libraries would like to thank each student who entered their story into the 2015 Mayor's Writing Competition. We had an amazing 330 entries this year! Each story was read by the Judges who had a hard time deciding the winners. Everyone can be proud of their contribution. We enjoyed your stories and want to encourage everyone to continue to have fun writing. For inspiration, visit the Eurobodalla Shire Council Libraries at Narooma, Moruya and Batemans Bay for lots of new books to borrow – and in December you can join the Summer Reading Club – keep an eye out for the chance to read lots and maybe pick up a prize this Christmas holidays.

Come & Play League Tag
19TH NOVEMBER 2015
AT SURFSIDE SPORTING FIELDS.
MUNDARRA WAY, SURFSIDE
