Welcome to our 2014 School Captains!

It is with great pleasure that I would like to introduce our new School Captains for 2014 – Soma Faraday-Kogler, Erin White, Austin Reid and Max Cooper. Our leaders were nominated at the end of last year by their peers and school staff. The year will be one of opportunities and leadership development for them and I know that they will do a wonderful job. Congratulations!

Ethics

Late last year we asked for Expressions of Interest in delivering Ethics classes at our school. We had a great response and we are aiming to commence classes on Thursday 13 March for students whose parent's have registered them. A registration note will be sent home in the near future. All classes are taught by vetted and trained volunteers.

Topics for Term 1 include:

- Early Stage 1 – not available yet, we hope to introduce it later this year.
- Stage 1 – Pride: Vice or Virtue?, Examples and Counter-examples and Are You The Same Person You Used To Be?
- Stage 2 – Being Selfish, Staring, Excuses and Reasons and Disagreeing Respectfully
- Stage 3 – A Fair Society, Human Rights and Do Other Animals Have Them?

Upcoming Events – Click on link below to see our Calendar
While the Ethics course aligns closely to our school curriculum and to the philosophy of the school, it is not compulsory for children to attend. Parents have the following choice:

To attend:
- Ethics classes or
- Scripture classes or
- neither Scripture nor Ethics, but to remain with a class teacher doing other activities.

To find out more about Primary Ethics and becoming an Ethics Teacher, please go to [www.primaryethics.com.au](http://www.primaryethics.com.au) or contact our school’s Ethics Coordinator, Anita Macartney on 0407 959 602 or [anita.macartney@campbellpage.org.au](mailto:anita.macartney@campbellpage.org.au)

**Clean Up Australia Day**
On Friday 28 March we will be helping our community by participating in Clean Up Australia Day.
The concept that we all have a duty and can help to look after our environment is an important concept and one that is not restricted to the playgrounds inside the school fence. We teach our children that we belong to a local environment/community as well as a global one and it is our responsibility to value and look after it.

Students are asked to bring in gloves and plastic bags and will be covering the following areas.
- Kindergarten and Year 1 – school playground
- Years 2, 3 & 4 – local streets around the school
- Years 5 & 6 – Candlagan/Broulee Beach

Parents are very welcome to come help us – we will be starting at 11.40am – 1.10pm.

**Afternoon Messages**
A reminder to our families that afternoon messages for students need to be phoned through to the Front Office before 2.20 pm. This allows the messages to be delivered to classrooms in an orderly fashion and eliminates any confusion for the student/s involved. Your assistance with this would be greatly appreciated.
Voluntary Contributions
Many thanks to the families who have so promptly paid their school voluntary contributions (fees). For those who have misplaced the information for direct deposit into the school bank account, here are the details again.

BSB: 032–001

Don’t forget the earlybird draw. If you make your payment before the 11 March your name will be entered into the draw to win a $100 petrol voucher.

- 1 child – $50
- Family – $90
- Technology Levy per family – $25 or $50 or $100

This Thursday’s assembly at 1.45 pm will be led by students from 5/6T. All families are welcome to attend.

Winter Olympian Visits 3C
3C have been learning about the Winter Olympics so last week Ben Mates came in for a visit. Ben is a two time winter Olympian – Torino 2006 & Vancouver 2010. Ben brought in his Olympic board, his Olympic training bib, competitor bib as well as his Olympic ID tag and passes to the events he attended. Ben also chatted to 3/4M & 4H. The kids absolutely loved it!
