Principal’s News

Tuesday, 20 November 2012

It’s hard to believe that we only have just over four weeks left until the end of term! It’s even harder to believe that we have so much to pack into these last weeks! Please don’t forget to check our calendar if you need to confirm dates (swimming school, Year 6 farewell, Lyneham School Band Performance, Swimming Carnival, Presentation Day etc).

Survey

If you have not already completed our School Survey on Homework could you please take a few moments to do so. The survey closes this Thursday and already we have had a record number of people complete it. Although the major trends are already very clear, there are some very diverse and strong opinions and comments made. The survey is available from the Front Office (paper copy) or you can respond through the following link [click here]. All responses are confidential.

2013 Planning

We have started our planning and organisation for 2013 classes. At this stage our staff changes will be minimal and we will possibly end up having three composite classes and eight or nine straight classes. As in previous years, one of our key priorities in placing students in various classes is that all children will have some of their friends in their new class.

We have recently had a number of new applications for enrollment and we have now had to place some students on a waiting list (depending on the grade requested). If you are aware of any families who intend to enroll but have not yet done so, or if you are planning on moving to another town/school, could you please contact us so that we can try and confirm our numbers for next year and advise waiting families as to the outcome of their enrollment application.

If you have any questions or concerns about composite classes or planning for 2013, please do not hesitate to give me a call.

Working Bee –
Sunday 18 November
It was delightful to welcome the Broulee Mossy Point Dunecare Group into our school last Sunday morning. The group mainly worked along the front of the school removing weeds, especially asparagus plants.

Thanks to our P&C members who provided morning tea for the hard workers.

Congratulations to:
Sylvie Williams who recently auditioned for the Gondwana Junior National Choral School and has just received word that she has been successful. Gondwana covers talented singers and also targets young composers and conductors and their groups regularly travel throughout Australia and overseas on tours. Sylvie will join the group in Sydney in January where they will combine with choristers from the Sydney Children's Choir in workshops leading up to their performance. This is very exciting for Sylvie and we wish her and her family "good luck".

Well done girls!!
