Principal’s News

Thank you all for a wonderful fete! It was a fantastic afternoon and evening with everyone having a great time. In terms of dollars and cents we have made more money with this fete (we are still working on a final figure) than with any previous one. The fete however, was always a bigger concept then just a monetary figure. We wanted it to be a fun time and involve our students, our families and our community and in this we have certainly succeeded.

A huge thanks to my dedicated staﬀ and P&C who put in many hours of extra work and a special thanks to Natalie Fairweather who was our Fete Coordinator – a job well done! Also a grateful thanks to our sponsors and supporters for the donations and prizes. Our fete was truly a community event.

Please join us this Thursday at 1.45 pm at our school assembly when the major raffle will be drawn.

Ethics

Just a reminder that our Ethics classes will start this Thursday with all of our classes full for Term 1. Students who returned their slips recently have been placed on a waiting list for Term 2.

Many thanks to our Ethics teachers who have given up their time for both the initial training and the ongoing weekly commitment.

With such a wonderful response we are keen to hear from any volunteers who would like to undertake a two day training program to become an Ethics teacher. The Kindergarten curriculum commences mid year, so volunteers will be needed to roll out that stage also. For further information please contact Anita Macartney on 0407959602. Parents are reminded that Scripture will also continue to run on Thursday afternoon alongside the Ethics program. As neither Ethics nor Scripture are compulsory, students who do not attend these programs will be supervised by our staff.

This Thursday’s assembly at 1.45 pm will be led by students from 2I. All families are welcome to attend.
